How to apply for Modular Courses (Academic Modules) offered under LLI/L³/CET500?

1. Check the list of modules being offered for the semester (usually found on the respective websites).

2. Shortlist the module(s) that you are interested to apply for. Take note of the module details (i.e., Faculty, Module Code and Module Title).

3. Submit your application during the application period through the NUS Online Application Portal (https://myapplications.nus.edu.sg/).

4. You will be notified of your application outcome via email by early July (for Semester 1) or by early December (for Semester 2).

5. If you are successful, you will need to accept or reject the admissions offer. If accepting the admissions offer, you will need to upload a recent passport-size photo of yourself.

6. You will need to follow the instructions in the Registration Guide on how to complete your registration formalities as a student of NUS and pay your bill before the start of Semester.
