Advancing Competitiveness in the Digital Age
NUS School of Continuing and Lifelong Education (NUS SCALE)

The NUS School of Continuing and Lifelong Education (NUS SCALE) was launched in June 2016 to support the national manpower development needs with high-quality and industry-relevant adult education & training programmes. Drawing on the strengths and multi-disciplinary expertise of 16 other NUS faculties and schools, backed by advanced research and strong industry links, NUS SCALE provides differentiated opportunities for professionals and organisations to be equipped with the latest knowledge and skills demanded in today’s digital economy.

VISION
Impact and Influence through Education, Innovation, and Engagement.

MISSION

• Provide opportunities for working adults to acquire new knowledge and skills from Asia’s leading university - NUS;

• Help Singapore companies and industries stay competitive by providing lifelong learning experiences for their employees; and

• Effectively support national manpower needs.
Lifelong Learning is key to staying agile in today’s Volatile, Uncertain, Complex and Ambiguous (VUCA) world.

Administered through NUS SCALE, NUS CET500™ is one of NUS’ innovative Continuing Education and Training (CET) initiatives. NUS CET500™ with its suite of cutting-edge courses helps you stay competitive in our digital age.

Applicable at the Workplace:
NUS CET500™ courses are contemporary, skills-based & industry-relevant to ensure the knowledge & skills gained are highly demanded and applicable at the workplace.
NUS CET500™ courses are guided by the Singapore Industry Transformation Maps (ITMs) with key focus on:

3 Clusters, 8 Sectors:
- Manufacturing
- Energy & Chemicals
- Marine & Offshore
- Electronics
- Professional Services
- Financial Services
- ICT & Media
- Healthcare
- Education

8 Priority & Emerging Skills Areas:
- Data Analytics
- Finance
- Tech-Enabled Services
- Digital Media
- Cybersecurity
- Entrepreneurship
- Urban Solutions
- Advanced Manufacturing

Courses on current topics such as Industry 4.0 are also available.

Wide Range of Disciplines
Tapping on the multi-disciplinary expertise of NUS Faculties and Schools, backed by NUS research excellence, NUS CET500™ course catalogue offers a wide range of courses, with disciplines from Business, Technology, Engineering, Healthcare & Medicine and more.

Choice of Modular Courses and Short Courses
Modular courses are typically 17 or 18 weeks in length and short courses range from 1 to 5 days, with lessons conducted in the days and the evenings.

Enhanced Learning Experiences & Outcomes
- Learning Anytime, Anywhere
- Andragogy Research to Ensure Quality

NUS’ technology-enhanced blended-learning approach, (i.e. online component, “Learning on Demand” systems) provides flexible and effective learning.

SSG-Funded
NUS CET500™ courses open to members of the public are SkillsFuture Singapore (SSG)-funded.

Singapore Citizens:
- Up to 70% subsidy (below 40 years old)
- Up to 90% subsidy (40 years old and above)

Singapore Permanent Residents:
- Up to 70% subsidy
Frequently Asked Questions

1. Where can I find the NUS CET500™ course catalogue?
   The NUS CET500™ course catalogue is available at http://scale.nus.edu.sg/lifelong-learning/Public-Courses/index.html. More courses will be added to the catalogue progressively.

2. Where can I find more information on the short courses?
   Please refer to NUS SCALE website (http://scale.nus.edu.sg) or the respective NUS School/Faculty’s website for more information (http://www.nus.edu.sg/education).

MODULAR COURSES:

3. How many intakes are there each year? What’s the duration?
   There are 2 intakes in an academic year. Students can be admitted either in Semester 1 (August) or Semester 2 (January). Each semester is 17 or 18 weeks in length, including the examination period. Please refer to this link for more information on the academic calendar structure: http://www.nus.edu.sg/ugiregistrar/calendar.html

4. When can I apply?
   Application for Semester 2 (January), AY2018/2019 will open from 1 October to 7 November 2018. Semester 2 commences on 14 January 2019. Application periods for subsequent intakes will be posted on SCALE’s website in due course.

   Semester 2 (January 2019) Intake
   Application Dates for Modular Courses: 1 October to 7 November 2018

5. How many modular courses can I apply per semester?
   During the application process, you may select up to 5 modular courses and rank them in order of your preference. However, if you are successful in your application, you will be offered admission of up to a maximum of 12 Modular Credits (MC), which is the limit for all part-time students. This means that if all your modular courses are 4 MCs each, you can be offered up to 3 modular courses per semester.

6. Are there any pre-requisites for the modular courses? What if I do not meet the pre-requisites?
   Existing pre-requisites may apply for modular courses taken for credits. If you do not meet the pre-requisites but do have other relevant qualifications and/or work experience, please provide such information to support your application.

7. How can I apply? Is there any application fee?
   You can submit an application via the NUS Online Application Portal at https://myapplications.nus.edu.sg. At present, there is no application fee.

8. Are there any fees involved?
   There is tuition fee payable for each modular course. Please visit the link below to search for modular courses and their respective tuition fees: http://scale.nus.edu.sg/lifelong-learning/Public-Courses/index.html

   Student Services Fee (SSF) is payable per semester, but only upon acceptance of admission offer.

   At present, the SSF is as follows:

<table>
<thead>
<tr>
<th>FEE TYPE (Payable per regular semester except for Special term)</th>
<th>AMOUNT (includes GST)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student Services Fee (SSF) (Includes Administrative Fee) - Part-time Basis</td>
<td>$261.85</td>
</tr>
</tbody>
</table>

   The tuition fee and the SSF are non-refundable and non-transferable.

   The University reserves the right to review fees as necessary and adjust accordingly without prior notice.

   More FAQs are found on the NUS SCALE’s website: http://scale.nus.edu.sg/lifelong-learning/Public/index.html
