The following FAQs are applicable for those pursuing part-time BTech Degree Programmes.

NUS Student Financial Aid

Am I eligible for NUS Student Financial Aid to pursue my study?
Part-time needy undergraduate students who are Singapore Citizens may apply for NUS Financial Aid, which is administered by the NUS Office of Financial Aid (within the Office of Admissions). Needy students will be offered a Financial Aid Package if they are found eligible. The Financial Aid Package that is offered may comprise a combination of the Tuition Fee Loan, NUS Study Loan (tuition fee portion only) and MOE Bursary, depending on the extent of the student's level of need which is assessed based on the declared family income and mitigating factors, if any.

Details of the Financial Aid schemes can be found at:
