

Onboarding Roadmap

Key Milestones in the NUS Enrollment Journey

Registration (Part One)

*Refer to Annex A – Registration (Part One) for more details

You will be notified via email once the NUS portal is open for registration

Alert:

Starting from **Stage 3**, all official communications will be sent exclusively to your NUS email account.

Please **check it regularly** to stay informed and avoid missing important updates.

Respect & Consent (R&C) Workshop

Compulsory for all students to attend one R&C workshop before term start. Information will be sent to your NUS email in **early August**

*Refer to Annex A – Mandatory Courses for more details

Term Starts

You will attend classes starting this week

Tuition Fee Payment

You can check your student bill for the semester's fee via [Education Records System \(EduRec\)](#)

Orientation for all students

Must complete stage 3 & 4 before attending the orientation

*Refer to Annex A – student orientation for more details

NUS Pre-Admission Medical Examination (PAME)

All students must undergo the NUS PAME (with Chest X-ray)

*Refer to Annex A – NUS Pre Admission Medical Examination for more details

Registration (Part Two)

Verification of Documents & Activation of NUS Student Card

NUS Student Card will be **issued upon completion** of document verification.

More details will be sent via email.

(This stage is **only applicable** to international students)

Students may start to apply for a student pass (STP) application number from NUS. All international students are to:

- Comply with the prevailing entry as well as Public Health Requirements listed in the [ICA | Entering Singapore](#) webpage and [MOH website](#)
- Regularly check inbox for emails from NUS for updated instructions
