Frequently Asked Questions

1. Where can I find the NUS CE150™ course catalogue?
   The NUS CE150™ course catalogue is available at https://cse.nus.edu.sg/ce150/. More courses will be added to the catalogue programmatically.

2. Where can I find more information on the short courses?
   Please refer to NUS ACAS website https://acascareer.nus.edu.sg or the respective NUS school’s website for more information (http://www.nus.edu.sg/education).

MODULAR COURSES:

3. How many intakes are there each year?
   There are 3 intakes per academic year, in Semester 1 (August), Semester 2 (February), and Semester 3 (August). Each semester is 13 to 15 weeks in length, including assessment periods. More info is available in the next calendar structure.

4. How many modular courses can I apply per semester?
   During the application process, you may select up to 3 modular courses and choose them in separate subject fields. However, you are successfully registered in a maximum of up to 4 modular courses per semester, which is the limit for continuous students. This means that if you apply for modular courses and are approved, you can be offered up to 3 modular courses per semester.

5. Are there any prerequisites for the modular courses? What if I do not meet the pre-requisites?
   Course prerequisites are required for modular course enrollments. If you do not meet the prerequisites, you have the option to undertake an assessment that can provide you with the necessary knowledge and work experience, enabling you to succeed in your application.

6. How can I apply?
   You can submit your application via the NUS Online Application Portal at https://nusapply.nus.edu.sg. Please ensure to complete all application forms.

7. Are there any fees involved?
   There is a tuition fee payable for each modular course. More info is available at https://cse.nus.edu.sg/ce150/.

   Student Services Fee (SSF) is payable per semester, and an explanation of the admissions offer.
   Approved, the SSF is payable.

   Type: Payable per semester
   Student Services Fee (SSF) $500

   The tuition fee and the SSF are non-refundable and non-transferable.

   The university reserves the right to review fees at its discretion and adjust accordingly without prior notice.
NUS School of Continuing and Lifelong Education (NUS SCALE)

The NUS School of Continuing and Lifelong Education (NUS SCALE) was launched in June 2014 to support national manpower needs with high-quality and industry-relevant adult education and training programmes. Drawing on the multidisciplinary expertise of 18 other NUS faculties and schools, backed by cutting-edge research, NUS SCALE equips youth, professionals, and organisations from the workforce with the latest knowledge and skills demanded in the digital economy. Delivered with technology-enabled blended learning approaches, NUS SCALE programmes are designed to enhance both learning experiences and outcomes.

Visit scale.nus.edu.sg for more information.

VISION

A leading global Continuing and Lifelong Education platform building the future workforce.

MISSION

To provide opportunities for executive and corporations to access NUS Continuing and Lifelong Education offerings, of world-class knowledge and skill, to innovate and stay competitive.
