TEACHING FACULTY

DR VINOD VASANANI

Adjunct Associate Professor
NUS Institute of Engineering Leadership

MR RANDALL SIE

Adjunct Lecturer
NUS Institute of Engineering Leadership

The NUS Institute for Engineering Leadership (IEL) advocates the nurturing of engineer-leaders through innovation & entrepreneurship experiences and learning by doing. Programs are crafted to provide opportunities for students to complement their technical knowledge with value-creation skills. IEL's experiential learning experiences immerse students in an intensive environment where they must form and function as highly effective teams in a very short timeframe to succeed.
